EARLY SAVER PROGRAM

WHAT IS THE EARLY SAVER PROGRAM?

Early Saver is a new Special Rate rewarding early bookings with the lowest guaranteed rates. In addition, the fares are backed by a unique price protection policy. With this unique protection policy, if you find a lower Carnival advertised fare after booking for the same sailing and accommodation Carnival will issue the difference in the form of a non-refundable, non-transferable onboard credit. The policy is effective up to two business days prior to sailing. You now have a great reason to plan early and take advantage of our Early Saver Rates: best rates guaranteed price protection, plus the added benefit that comes with booking early – wide availability of staterooms, dates and destinations.
